AICEEP is an interactive conference on new methods, concepts, workshop-tools, and best-practices for the learning and facilitation of entrepreneurship education and pedagogy. We believe these issues are relevant not only to countries with less experience in the entrepreneurship policy, education and practice, but also to a vast majority of them across continents.

This conference is designed to support:

- Tertiary institutions leaders developing a more entrepreneurial institutions and making improvements to their institutions' performance and impact;
- Individuals committed to overcoming challenges in entrepreneurship;
- Academics, managers and other stakeholder seeking a global network that can uplift knowledge and entrepreneurial practice.

CALL FOR CONTRIBUTIONS

Prospective authors are kindly encouraged to contribute to and help shape the conference through submissions of their research abstracts, papers and e-posters. Also, high quality research contributions describing original and unpublished results of conceptual, constructive, empirical, experimental, or theoretical work in all areas of Entrepreneurship Education and Pedagogy are cordially invited for presentation at the conference. The conference solicits contributions of abstracts, papers and e-posters that address themes and topics of the conference, including figures, tables and references of novel research materials.
