

CESBUM is the first Entrepreneurship College in Africa recognised by law under CAMA 1990 of Federal Republic of Nigeria to award professional certificate, diploma, higher diploma, professional post graduate diploma, professional master and professional doctoral certificates in Entrepreneurship and accredited by Institute of Classic Entrepreneurs (INCENT).

It is a trailblazing provider of quality entrepreneurship education, distinguished for its innovative and globally acceptable curriculum, capacity to offer advanced practical knowledge and skills necessary for a prosperous and peaceful Africa.

At CESBUM, we resist the pressure to conduct entrepreneurship education the way it has always been done. We challenge existing beliefs, keep what works, and re-imagine the rest.

We hereby invite to Register Now for: Professional Certificate, Ordinary Diploma, Higher Diploma, Postgraduate Diploma and Masters in:

- Entrepreneurship;
- Small Business Management;
- Agricultural Entrepreneurship & Agribusiness Management;
- Technology Entrepreneurship;
- Innovation and Entrepreneurship;
- Entrepreneurship and Management; With specialization in any of our vocational training

OUR SPECIAL OFFERING

- Focus on Skills that Matter
- Our Academic/Professional Programmes
- Internship with Top Employers
- Specialization in at least one Vocation or Trade
- A Transformative Student Experience
- Pan-African and Global Network

OUR APPROACH

- Preparation for Tomorrow's World: We prepare you for jobs that don't even exist yet.

- Engaging Learning Experience: A revolutionary style of teaching and learning.
- Entrepreneurial Leadership: Develop entrepreneurial skills and mindsets.
- Declare a Mission for Your Life: Discover your life's purpose and align your learning with this purpose.
- Education Meets the Real World: The real world comes to the classroom.
- A Student Driven Experience: We empower you to be the driving force behind your undergraduate experience.

BENEFITS:

- The trainings are designed to equip students with knowledge and skills needed for entrepreneurial decision making, opportunity recognition, assessment, creation, shaping, seizing and exploitation; especially the analytical skills needed for recognising, defining and solving problems; and develop in students soft skills required for success (e.g. leadership, communication, interpersonal relations, negotiation, logical/analytical thinking, time management etc) as well as entrepreneurial, small business, financial and marketing management competencies.
- In blending theory and practice, all students participate in Skills Acquisition and enterprise creation programmes, rocket pitch and elevator pitch presentation training and competition, business creativity competition, Internship and Industrial Visits as part of the training.
- Offering of a powerful formula that not only equip you with a well-rounded and internationally-relevant entrepreneurship education based on internationally-competitive curriculum, but one which provides you with extensive practical experience and industry-relevant skills. We call this the "CESBUM Academic Model" that grooms you to become a Future Ready Graduate (FRG), a revolutionary approach that gives graduates of the college a clear competitive edge over others.
- CESBUM qualification will afford you the opportunities to build up wide networks in different countries especially Nigeria, Ghana, Kenya, Benin, Uganda, South Africa, USA and Canada through dual equivalent reciprocal award for Associate, Full Membership and Fellowship of Institute of Classic Entrepreneurs (INCENT) and Association of African Entrepreneurs (AAE) and Automatic Membership of African

Society for Female Entrepreneurship (ASOFENT), Society for Agropreneurship and Agribusiness (SOFAAG), International Association of Technology Entrepreneurs (IATECH)

- Free seminar, quarterly African Journal of Entrepreneurship Education and Management Sciences (AJEEMS) and update on various issues on Entrepreneurship and Small Business Management.
- Easy access and special consideration in any government assisted entrepreneurial development programmes as well as assistance from micro-credit scheme and cooperatives for creation of enterprises amongst our members (N50K - NIM)
